

Costume-Con 30

May 11-14, 2012 ☞ Phoenix, AZ

Doll Contest

Dress a human or alien doll in the garments of your dreams!

Competition Rules:

You may submit a human or alien doll, or a costumed creature.

A purchased figure, such as a Barbie® doll or a Breyer™ horse, or a personally crafted figure may be entered. There will be separate judging categories for purchased figures embellished by the entrant and entrant-made figures. Entrants should clearly state which part of the figure they made. No kits for clothing or pre-printed cloth outfits are allowed.

Emphasis in the judging of dolls will be placed on the costuming of the doll or creature, including the scale and fit. Judges will have final control over all categories and awards given.

All non-perishable materials are allowed.

Entrants need not be present to win. Supporting members may have someone else bring their entries. Costume-Con 30 is not responsible for entries lost, delayed, misdirected, damaged, or destroyed by the delivery service of your choice.

By submitting your entry, you are giving Costume-Con 30 (and its designated representatives) permission to photograph and/or videotape your entry for purposes of sale as part of post-convention packages. Your entries may also be photographed or videotaped, for personal enjoyment only, by members of Costume-Con 30.

Entering the Contest:

Please submit each of your entries with the following information on a piece of paper: Title of entry, name of entrant, address, phone number and email address (if any).

Entrants must have at least a supporting membership to CC30 (\$25) to enter this contest; but are not required to attend the convention to win.
