

## QUILT CONTEST INSTRUCTIONS & DEADLINES

### CostumeCon Quilt Show & Contest, 2<sup>nd</sup> Edition Costume Con 30, May 11 – 14, 2012, Tempe, AZ

After creating your fabulous quilt for CostumeCon 30, 'What do I do with it?', you ask? Well, here are your answers:

\*Please direct any questions or comments directly to Elaine Sims at [quiltcontest@costumecon30.com](mailto:quiltcontest@costumecon30.com) or by phone at (602) 910-0628. If you don't receive a response to your email within 5 days or so, please resend.

\*Mail-ins are accepted and highly encouraged: even if you are attending the con, if you can get it to me early, great! The deadline for mail-in work is April 30, 2012. If I haven't received it by the end of that day, it won't be exhibited **unless** you bring it with you and hand it to me at the con.

My mailing address is: 2303 E Cochise Ave, Apache Junction, AZ 85119

\*If you will be attending, you may enter your quilt at the con. I plan to have an area for someone to accept it at the Con Registration area on Thurs. and Friday. We will have blank registration paperwork available.

\*On the plus side, if you get it mailed to me by the deadline, I will be able to have some really nice signage, I hope, so everyone will know the entry titles and creators.

\*That being said, even if you are bringing the quilt to the con, it would be very helpful if you could contact me, so I know to expect your entry. There will be entry forms available at the con, or you may download it from the website. Please safety pin it to the back of the quilt before submission. Legibility counts, please!

\*As noted on the entry form, I need one specific contact person, with name and address. Email address is fantastic. All the contributors to each quilt must be listed.

\*As noted on the Guidelines, pretty much anything goes as far as theme, colors, fabrics, shapes, techniques, embellishment. The pattern source is required, though: if it isn't completely original, please list the sources. If your design is *inspired* by something in particular, please note that in the Quilt Description area.

\*We are planning for the quilts to be displayed in the Exhibit & Doll Exhibit areas of the con. Please don't forget the fabric "tube" or tabs on the back top of the quilt for hanging.

\*If you are not attending the Con and do not have someone who is able to pick up your quilt for you, I will return mailed-in quilts within about 10 days after the con. **Please be sure to include return postage.** Pre-paid labels for USPS Flat Rate boxes are perfect for this!
